

FABO

Use **FABO** for your next event and be surrounded by walls of fabulous local artwork! We can accommodate events of up to 95 people, with both indoor and outdoor seating.

Here is a quick overview –

Have a get together when we are open and we can reserve an area for your group. For example if you would like a breakfast get together we can set up the front area for you and have a separate area for your food and beverages.

You can also have a private event and rent FABO—rental rates are \$50 per hour, with a 2-hour minimum. Events must start after 6pm (set up can start earlier but FABO will remain open to the public until 6). 10% of all art sales at the event can either go towards the rental rate, or to a charity of your choice. There is also an additional charge of \$45 for clean up.

FABO has preferred caterers, however, you can use a non-preferred caterer for an additional fee. Fee is based on cost of food.

Beer and wine, if desired, will be provided by FABO with costs for beverages and bartenders.

Parking – Tranquil Court has over 360 parking spaces including surface and a deck below.

Current set up of FABO is 7 4-top tables and 2 soft seating areas (couch/chairs). FABO can be rearranged for event. Rentals of additional tables/chairs are available.
